ONE deferment per season will be accepted per team (including Open Female Comp) only for a deferment outside the 4 day time limit. Any request inside the 4 day period or the team has used their one deferral, please refer to Rule 15 for the Forfeit process. ### As part of the deferral process, the **non-deferring** team must provide (within a 72 hours of the deferred game), TWO possible dates & times for the game to be replayed. At least ONE of these must be either a Friday night or Sunday timeslot. Both dates must be within four weeks of the deferred game & no later than the last Saturday home & away round game. Both teams should take responsibility to reschedule the replaying of these games. The deferring team then has 72 hours to accept one of the dates & times. To claim a forfeit in these games (**as the non-deferring team**) your team must be able to show you have provided 2 dates as per 14 (a) plus met the timing required and these have been refused. To claim a forfeit in these games (**as the deferring team**) your team must be able to show you have accepted a proposed time & date as per 14 (a) plus met the timing required and this has then been refused or the games proposed did not meet the requirements of 14 (a). The deferring team will generally play AWAY in any catchup game unless the Comp Sec deems it preferable (ie Lights, Referees) to schedule the game at HOME or if there is agreement between the teams. (If the agreed upon date is washed out the process starts again at ###)
 - (i) For any deferment request, ~~that the non-deferring team has agreed to play.~~ The non deferring team is still able to claim the forfeit if the replay is then washed out within 3 weeks of the final home & away Saturday and another date is not agreed upon. In this situation only - win points are given to the non-forfeiting team & loss points are given to the "forfeiting" team. (as they have made a reasonable attempt to get the game played).
- b) Team requesting that matches be deferred due to team player shortages within the 4 day period will not be accepted.
- c) The Competition Secretary will liaise with the non-deferring team to organise the deferred match at a suitable time, taking into account the two dates provided as per Rule 14a.
- d) Teams from private schools and Universities have the right to defer any games during scheduled school holidays and placements periods. However, they must have informed the Competition Secretary of the scheduled holidays/placements for that year, at the closing date for Team Nominations as per Rule 3 (a). Both teams should take responsibility to reschedule the replaying of these games. To claim a forfeit in these games (**as the non-deferring team**) your team must be able to show you have provided 2 dates as

per 14 (a) and these have been refused. To claim a forfeit in these games (**as the deferring team**) your team must be able to show you have accepted a proposed time & date as per 14 (a) and this has then been refused or the games proposed did not meet the requirements of 14 (a) .

- e) All TWO deferral replay time & dates mentioned above must be no later than the Sunday on the weekend of the last home & away round game.
- f) Any team who has 4 or more WYL Representative players are able to defer the second game of any ODFA double header, scheduled for the Saturday, before they play a Sunday WYL round.

Rule 15. Forfeits & Abandoned games.

At any point during the Match they cannot field at least seven (7) of their registered Players; or v. An ineligible Player as defined in the Regulations participates in the Match; vi request a deferment outside of Rule 14.vii. be unable to provide a Ground Official as per Rule 16(a) If the game then goes ahead, after a delayed start, the referee is the sole judge of game timing. Keeping in mind, if a game is to be played directly after the delayed game, the delayed game should finish before the allocated start time of the game after.
- b) Teams/clubs forfeiting games without notifying (by DRIBL forfeit request & by email) the competition secretary and the other team prior to Thursday 8pm may be fined \$50. If notification is after Friday 6pm the team/club shall be fined \$50.00 plus the referee's fee, (to be paid by their club), except where a reasonable excuse exists. Reasonable excuse to be determined by the ODFA executive and must be submitted in writing (by club/team) no later than 24hrs after the scheduled time of the match. Any Senior All Age Teams forfeiting TWO times in the ONE season will incur a penalty of \$200 (to be paid by their club). A forfeited game (notified to the ODFA prior to Thurs 8pm) is reset to a catchup game, if the game would have been washed out. See Rule 13(e).
- c) In cases where a Fixture has been abandoned by the referee, the Executive may investigate the circumstances of the abandonment and impose such penalties as it deems fit on Clubs, Club Officials, Players and/or Spectators adjudged to be associated with the abandonment
- d) In the event of any Fixture or Match not being played owing to weather or other causes over which neither Club has any control, on being ordered to be rescheduled or completed, it shall be played within Twenty Eight (28) days of the first postponement or no later than the last competition Round weekend.

- g) Should both Clubs be found to have caused the abandonment of the match the match will not be replayed and no match result will be applied.
- h) After the commencement of a Match, should play be postponed due to serious injury requiring leaving a player in place, poor weather, failed lighting, state of the pitch or any other reason as determined by the referee, and the Match cannot be completed in full, and ODFA has approved the rescheduled match, it will recommence at the minute at which play was interrupted rather than being replayed in full.
- i) The following principles will apply to the recommencement of the Match:
 - i. The Match will recommence with the same Players on the pitch and substitutes available as when the Match was initially postponed unless a player has received a Suspension in matches conducted between the postponed match and the rescheduling of that match. The original (abandoned or postponed) match card should be referenced for commencement of the rescheduled match.

- ii. Should a player have received a Suspension in a match conducted between the postponed match and the rescheduling of that match that player:
 - a. Will not be eligible to participate in the rescheduled match
 - b. Will not be able to count the match as a stand down in relation to any fixture Suspension

- iii. No additional substitutes may be added to the list of Players on the team sheet
- iv. Players sent off during the abandoned Match cannot be replaced

A one (1) match reduction to this rule is allowed when players receive a direct red card for “denying an obvious goal scoring opportunity” only if the Executive ascertains the action of the offending player did not constitute “playing in a dangerous manner”. Clubs must apply to the Executive for this potential reduction (it is not automatically applied).
- b) As per Rule 23 (a) 1, an indirect Red Card (Two yellow cards in a game) will result in a one match suspension.
- c) If in the opinion of the ODFA executive the red card offence warrants more severe punishment, the following may occur;

 2. The ODFA executive may decide that the offence is serious enough to bypass the need for a Protests & Disciplinary Committee meeting and take sanctions or suspend the player /participant immediately by sending an Interim Suspension Order &/or Notice of Charge to the participants/ player’s club delegates.

Rule 25. Suspensions

Section 6 – Player Eligibility

Rule 27. Eligibility and Ineligibility of Players General

- a) Eligible Players includes:
1. An eligible player is one that meets all registration requirements within these Rules and is not ineligible according to any article of these Rules.
- b) Ineligible Players include:
1. Unregistered players
 2. Suspended players
 3. Non-financial players (All non-financial players must be identified and submitted to the Administrative Secretary before the ODFA Annual General meeting)
 4. A player who does not have clearance from a previous club
 5. A player who is deemed ineligible due to any article of these Rules.
- c) Any team that fields an ineligible player will automatically lose that Match on forfeit and the club may be fined \$250.

Rule 28. Eligibility of Players in Championship Series Fixtures - (Semi Finals, Preliminary Finals & Grand Finals).

- a) To be eligible to play for a team in a Championship Series Fixture (semi-final, preliminary final or grand final), a player must be an eligible player as per Rule 27, and also be registered or dual registered in that team (or a team from the same club in a lower age group) and must have played for that team on no less than five (5) occasions during the competition. The onus of proof rests with the club. Clubs may apply to the ODFA Executive in the case of special circumstances. Junior players from teams in younger age groups, who have played on no less than 5 occasions in the team, can only be used to bring the team to 13 players in a Junior Championship Series game. *(this rule was adopted by the ODFA clubs to ensure teams did not qualify too many players from a younger age group that could drastically reduce the game time for players already in a team).*
- b) Should a team in the Championship series be unable to field a team of 11 players they may draw on “borrowed” players (maximum total 13 player squad) within the same club from a lower grade or age group (or any of that teams dual registered players who may not have made the 5 game qualification) to make up to 11 players, without the need for the 5-game restriction in Rule 28 (a) (SEE ADDITIONAL NOTES PAGE 24) *(the team may have “borrowed” players on the reserve bench in case they fall below 11 players but this “borrowed” player must only play if a player can no longer take any part in the match). The Competition Administrator MUST be contacted by 8am on the morning of the match to ensure the “borrowed” player is placed in the Competition Management System (CMS). If the player does not appear in the CMS the player is ineligible for that match, unless verbal approval has been given by the Competition Administrator.*
- c) An underage Junior player who meets Rule 28 (a) & Rule 6 (a) criteria may play in a Senior Final Series.

Rule 29. General Eligibility Rules

- a) For Senior All Age competitions, players (Registered or Dual Registered) in higher graded teams cannot play in lower graded teams. See Rule 6b for exceptions. If a Senior grade or Junior age group is split into two or more Divisions it does not change the fact that a player cannot play in two different teams. So “borrowing” is not allowed between 2 teams in this situation.
- b) If a (Registered or Dual Registered) lower graded Senior player plays 5 games (see 29e) in a higher grade, (for the WPL this figure is 8 games, in line with the WPL rules). The 5th & 8th game mentioned locks the player out of their previous lower grade team. Any players who hit these limits are then deemed as being a higher graded player and cannot then play for the lower grade team anymore that year. (eg If a player plays 3 games in higher grade (A Grade) & 2 games in higher grade (B Grade) the player is then deemed an A Grade player. Lower grade registered Goalkeepers, playing Senior Competitions, can play higher grades without restriction but the club must contact the ODFA if a GK is about to play their 5th game in a higher grade. The ODFA Executive will have the right of refusal if it is thought the intent of the rule is being abused. See Rule 6b for other exceptions. ODFA games played in the first three (3) rounds, whilst teams are being finalised, are not counted towards the eligibility criteria for this rule. ODFA Registered players who are Under 18 & younger (or 45 yrs & over) can move freely between the WPL & the ODFA’s highest competition without the restriction of the 8-game limit, unless limited by a WPL rule. These players must be registered or dual registered in a particular ODFA team. Please note “ODFA registered” is an important distinction whereas WPL registered players cannot move freely.

Junior competition players may play in any number of games for a Junior team, from their club, in a higher age group than their registered team. Female players playing in the Open Women’s competition can dual register with another Senior team to play in any of the mixed All Age grades. Players playing mid-week “Safe Soccer” can dual register into another team & club in the mixed All Age grades (or vice versa). Female players can dual register between All Age grades and Open Female (either direction) with the same club. Blay Jnrs & Snrs will be regarded as the same club in this scenario.

- c) Where there are two (2) teams from the same club in the same Senior grade, players are NOT allowed to play for two (2) different teams on the same weekend. See Rule 7(a) & Rule 6(b)
- d) Players registered or dual registered in a team in any Junior age group or Senior grade must not play for a team from the same club in that age group or grade without a formal transfer. The only exception being in Over 35’s, where players from the same club may play for another team from their clubs to make up the full complement of 11 players. This exception is not allowed during the Final Series. (For Rule 28(d) the wording “Junior age group” will include any combined age group). Eg when a combined U15/U16 competition is being run, then any underage players filling in must come from the Under 14 age group, as an U15 player playing for the U16’s would be in breach of this rule.
- e) A player whose name appears on a referee’s card shall be deemed a member of that team for that game.
- f) All Age players must not play for another Club unless given prior approval by the ODFA Executive.
- g) NO Western Premier League registered players are able to play in the ODFA Competition. Any Western Premier League registered players from the previous season can only be registered for teams in the ODFA’s A Grade competition.
- h) ODFA competition registered Goalkeepers may play across into the WPL competitions without restriction from returning to the ODFA Competition. (unless restricted by the WPL rules). WPL registered Goalkeepers are included in ODFA Rule 29 (g) & have the same restrictions as outfield players

Rule 30. Western FC Players

- a) Western FC players must apply in writing to the ODFA for permission to play in ODFA competitions. The player must be sanctioned by Western NSW Football before applying to the ODFA.

- b) The ODFA will only allow TWO SAP Western FC players to Register in any ONE ODFA team in the players age group. If a team has more than TWO SAP players, of that age group, they can nominate in the age group above their actual age group.
- c) Western FC players (18 years & over) playing in ODFA All Age Comp must play for an A Grade team & the ODFA will only allow ONE such Western FC player to Register in any ONE team
- d) These player eligibility rules for Western FC SAP players can be varied in special circumstances by the ODFA executive by application from an affiliated club NOT the team themselves. eg. The club must support the request and forward it for consideration.
Exceptions may be made if the club has only one team in that age group or a younger SAP player wants to play “up” an age group or two.

Rule 31. Age Eligibility

- a) Age determination will be 1 January of each calendar year to the 31 December of each calendar year example: if a player turns 14 years old between 1 January and 31 December then the player is eligible for under 14yrs for that year.
- b) Overage players must apply to the Executive for permission to play down – decision determined by the members of Association. (Maximum of 3 players per team).
- c) Players who are registered in a higher age group than their current age are NOT eligible to come back or to play in their respective age division.
- d) Players must not play any more than 2 years above their age division without written approval from parent/ guardian. This form can be provided by contacting the ODFA

Rule 28 – Eligibility of Players in Championship Series Fixtures - (Semi Finals, Preliminary Finals & Grand Finals).

B) Lower grade players MUST not interchange with any player. They become old style "substitutes"

If a team has 12 players for a Championship game, these 12 players can interchange as per normal, the ONE allowed lower grade player can only substitute for a player once the team is about to fall below 11 players.

No interchange is then allowed as the player who left the field is permanently substituted.

If a team has 11 players for a Championship game, the TWO allowed lower grade players can only substitute for a player once the team is about to fall below 11 players. No interchange is then allowed as the player who left the field is permanently substituted.

If a team has 10 players for a Championship game, the THREE allowed lower grade players can only substitute for a player once the team is about to fall below 11 players. No interchange is then allowed as the player who left the field is permanently substituted.

AND SO ON

Rule 29 – General Eligibility Rules
