

ODFA Female Summer Football Competition

Later this year the ODFA will again be organising Female Summer Football in the (Under 8 to 9's), (10's to 12's) and Open Female. These age groups may be adjusted depending on the nominations received. *Please note last year we did not get the numbers to run an (Under 8 to 9's Comp) so the older girls played in the (10's to 13's) and younger girls were given skills training and standalone small games if they were not comfortable playing against older girls. OR refunds will be provide if the ODFA cannot provide the comp you are hoping to play in.*

When: Starting Monday 16th Nov 2026. The games will be played Monday afternoons, starting with the younger age groups at approx. 4:15pm & 5pm and finishing with the Open Women's games over two timeslots at approx. 6pm & 7pm. The comp will have time off over Christmas / New Year & finish in March. Approximately 5 rounds before Christmas & 5 to 6 rounds after the January holidays. (plus a championship series in the older age groups). The finish date will be mid to late March 2027.

Format: Proposed games will be approx. 5 v 5 for the 8's -9's age groups & 6 v 6 in the 10's to 12's age groups and (7 v 7) in Open Female & all games will be played on smaller fields.
